Clearlane

Performance qualification (PQ) plan and record

Document CL-PQ · Version 1.0 · 4 November 2026 · For any Clearlane app

Performance qualification shows that the app meets your own user requirements in your real process. It depends on your procedures and intended use, so it stays your responsibility. List each requirement, run the business scenario that covers it, and record the result.

Ref.	Your requirement (URS)	Business scenario	Expected result	Result	Deviation	Decision
